It's the song that brings ultimate hope to so many ... often in the midst of life's most challenging moments. Amazingly, the song was written in mere minutes by MercyMe lead singer Bart Millard. In reality, those lyrics took a lifetime to craft. A gripping reminder of the power of forgiveness, I CAN ONLY IMAGINE beautifully illustrates that no one is ever too far from God's love—or from an eternal home in Heaven. Watch this space for screening times in our local area.
